

## WELCOME

The Manassas National Battlefield Park encompasses 5200 acres of open grasslands, meadows, mature forests, fresh water creeks and ponds. These diverse habitats within the park provide many opportunities to see a wide variety of bird species throughout the year.

Park brochures for trails, wildlife, and driving tours are available at the Henry Hill Visitor Center.

Henry Hill Visitor Center  
6511 Sudley Road, Manassas VA

We hope you enjoy your birding experience and thank you for visiting Manassas National Battlefield Park.
